

Special Projects Committee Report Annual General Meeting April 24, 2012

Since the last AGM, projects for 2011 were completed and all of funds allocated were used. The amount in 2011 was \$83,373.

In December, January and February advertisements were placed in the River Valley News to solicit applications for \$84,5000 of grant money available through the Host Community Enhancement Fund this year.

The Special Projects Committee received 25 applications for grants prior to the Feb. 28 deadline. The total of the requests was about of \$230,000. After careful consideration, the projects were selected by CMEI, and subsequently approved by the Fundy Region Solid Waste Commission for funding during the 2012 calendar year.

The list of projects approved by the FRSWC for 2012 appears on our website www.cmei.ca on the "Special Projects" page, follow the link to 2012. Actual amounts granted to applicants in prior years are also linked on the "Special Projects" page. Several of these projects are already underway. In the coming months members of the special projects committee will be following up on the progress of the projects to ensure that the completion deadline, Oct. 1, 2012 is met.

Grants awarded for 2012 are shown in the table on the attached page.
