REVIEW ENGAGEMENT REPORT

To the Directors of Crane Mountain Enhancement Inc.

We have reviewed the statements of financial position of Crane Mountain Enhancement Inc. as at October 31, 2013, October 31, 2012 and November 1, 2011 and the statements of operations, changes in net assets and cash flows for the years ended October 31, 2013 and October 31, 2012. Our review was made in accordance with Canadian generally accepted standards for review engagements and, accordingly, consisted primarily of inquiry, analytical procedures and discussion related to information supplied to us by the organization.

A review does not constitute an audit and, consequently, we do not express an audit opinion on these financial statements.

Based on our review, nothing has come to our attention that causes us to believe that these financial statements are not, in all material respects, in accordance with Canadian accounting standards for not-for-profit organizations.

1. NATURE OF OPERATIONS

Crane Mountain Enhancement Inc. (the "organization") was incorporated by Letters Patent under the New Brunswick Companies Act on October 2, 2000. The organization is a non-profit organization established to monitor the Crane Mountain Sanitary landfill in accordance with the Clean Environment Act, the thirteen conditions of the EIA approval, its Letters Patent and the agreement with Fundy Regional Service Commission.

2. FIRST TIME ADOPTION OF ACCOUNTING STANDARDS FOR NOT-FOR-PROFIT ORGANIZATIONS

During the year, the organization adopted Canadian accounting standards for not-for-profit organizations (ASNPO). These financial statements are the first prepared in accordance with these standards. The adoption of ASNPO had no impact on net assets as at November 1, 2011 or operations or cash flows for the year ended October 31, 2012 as previously reported in accordance with pre-changeover Canadian generally accepted accounting principles.

With regard to the organization's transition from former Canadian generally accepted accounting principles (GAAP) to Canadian accounting standards for not-for-profit organizations (ASNPO), the organization has not made any elections available under Canadian Institute of Chartered Accountants (CICA) Handbook Section 1501 of Canadian accounting standards for not-for-profit organizations.

a) The statement of financial position at November 1, 2011 has no restatements.

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Capital Assets

Capital assets purchased during the year are recorded as an operating expense on the statement of operations and changes in net assets. No provision for amortization is provided for on capital assets. During the year, the organization expensed \$966 in capital assets (2012 - nil).

Revenue Recognition

The operating grant, provided by Fundy Regional Service Commission, is recognized as revenue on an accrual basis over the term of the grant.

All other revenue is recognized when earned.

Contributed Services

Volunteers contribute a significant amount of their time each year. Because of the difficulty in determining their fair value, contributed services are not recognized in the financial statements.

Financial Instruments Policy

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, financial assets with actively traded markets are reported at fair value, with any unrealized gains and losses reported in deficiency of revenue over expenses. All other financial instruments are reported at amortized cost, and tested for impairment at each reporting date. Transaction costs on the acquisition, sale, or issue of financial instruments are expensed when incurred.

Measurement Uncertainty

The preparation of financial statements in conformity with Canadian accounting standards for not for profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Actual results could differ from these estimates.

4. FINANCIAL INSTRUMENTS

The organization is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the organization's risk exposure and concentration as of October 31, 2013.

Credit Risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The organization is not exposed to credit risk as it does not have customers. The organization's mandate is to monitor the Crane Mountain Sanitary landfill in accordance with the Clean Environment Act, the thirteen conditions of the EIA approval, its Letters Patent and the agreement with Fundy Regional Service Commission. Based on this mandate the organization's sole source of income is an operating grant, provided by Fundy Regional Service Commission.

(Unaudited)

4. FINANCIAL INSTRUMENTS *(continued)*

Liquidity Risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The organization is exposed to this risk mainly in respect of its receipt of funds from Fundy Regional Service Commission, accounts payable and other obligations.

Currency Risk

Currency risk is the risk to the organization's earnings that arise from fluctuations of foreign exchange rates and the degree of volatility of these rates. The organization is not exposed to foreign currency exchange risk as it does not hold any foreign currency.

Interest Rate Risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. In seeking to minimize the risks from interest rate fluctuations, the organization manages exposure through its normal operating and financing activities. The organization is not exposed to interest rate risk as it does not hold any floating interest rate debt or investments.

5. ECONOMIC DEPENDENCE

The organization receives an operating grant of \$23,331 (2012 - \$23,172) from Fundy Regional Service Commission, representing 99.8% (2012 - 99.7%) of revenue.
