

Special Projects Committee Report Annual General Meeting April 26, 2011

Since the last AGM, projects for 2010 were completed and all of funds allocated were used. The amount in 2010 was \$82,629.

In December, January and February advertisements were placed in the River Valley News to solicit applications for \$83,373 of grant money available through the Host Community Enhancement Fund this year.

The Special Projects Committee received 24 applications for grants prior to the Feb. 28 deadline. The total of the requests was in excess of \$300,000. After careful consideration, the projects were selected by CMEI, and subsequently approved by the Fundy Region Solid Waste Commission for funding during the 2011 calendar year.

The list of projects approved by the FRSWC for 2011 appears on our website www.cmei.ca on the "Special Projects" page follow the link to 2011. In the coming months members of the special projects committee will be following up on the progress of the projects to ensure that the completion deadline, Oct. 1, 2011 is met.
