Special Projects Committee Report  
Annual General Meeting  
May 7, 2019

Since the last AGM, projects for 2018 were completed, but not all of funds allocated were used. The amount available in 2018 was \$88,247 of this \$84385.79 was used. A record for the allocation of funds can be found at [www.cmei.ca](http://www.cmei.ca).

The landfill's bookkeeper/accountant of many years retired last year. The new accountant has discovered that grants weren't eligible for an HST rebate to the landfill and he corrected the accounting for 2018 projects that offset the balance not used plus a small amount owing. Starting with the 2019 projects, the grant amount will include the HST less any HST rebate for which the applicant is eligible.

In December 2018 and January 2019, advertisements were placed in the District News to solicit applications for \$89,218 of grant money available through the Host Community Enhancement Fund this year.

The Special Projects Committee received 26 applications for grants prior to the Feb. 15, 2019 deadline. The total of the requests was about of \$377,000.. After careful consideration, the projects were selected by CMEI, and subsequently accepted by the Fundy Regional Service Commission for funding during the 2019 calendar year.

The list of projects approved for 2019 appears on our website [www.cmei.ca](http://www.cmei.ca). On the "Special Projects" page, follow the link to 2019. Actual amounts distributed to applicants in prior years are also linked on the "Special Projects" page. In the coming months members of the special projects committee will be following up on the progress of the projects to ensure that the completion deadline, Oct. 1, 2019 is met.

Grants awarded for 2018 and 2019 are shown in the table on the attached page.

Respectfully submitted,

Tom Simpson  
Chair, Special Projects Committee
