- 1. Report on FRSC March meeting: KBM and other projects:** Jim Stubbs reported on the March meeting of FRSC, the meeting when the Special Projects are usually approved. The FRWC had requested more information about the sustainability of the KBM before they considered their grant. Dale Van Tassel, KBM treasurer, made a presentation about the financial position of the new KBM Board, the charitable status, their successful initiatives, etc. The FRSC requested further information from the KBM be provided at the FRSC April meeting before they would approve the grant; a business plan, verification that assets are intact, and a financial plan/forecast. Because the rest of the CMEI recommendations for grants had been left off the March agenda, they have also been moved to the April agenda.
